We are raising money to build a paver walk from the lake to the club house, and a circle of pavers for social gatherings.

Contributions are made to LMSS (501 (c) 3)

Lighthouse Island Garden Club

MYC & LMSS HISTORY PAVERS

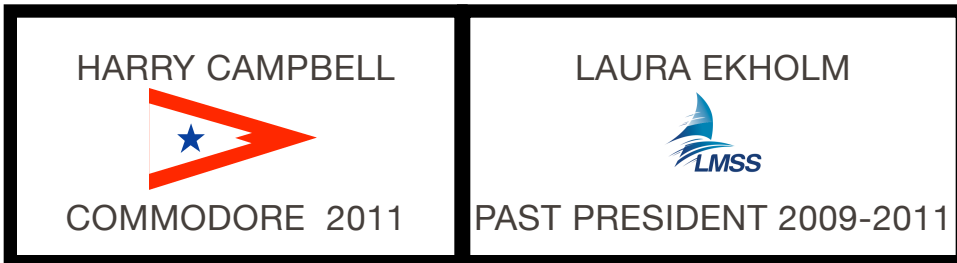

Celebrating our leaders and their accomplishments

plans to build a paver walkway, from the pontoon drop off on the South side of our island up to the clubhouse.

This walkway will feature our history by having pavers in chronological order of the Past Commodores of MYC and the Past Presidents of LMSS.

We are asking for charitable contributions to help make this happen. The walkway will join a large circle of pavers for our social gatherings.

example of what the pavers will look like

These will be the only pavers to have the MYC burgee or the LMSS Logo on them and it will be in color

THANK YOU FOR YOUR DONATION AND BEING PART OF MYC & LMSS
